

## Centre for Biochemistry and Microbial Sciences

Central University of Punjab

**Subject: Proceedings of the meeting of Academic Committee of the Centre for Biochemistry and Microbial Sciences**

A meeting of the Academic Committee of the Centre for Biochemistry and Microbial Sciences was held at 4.00 PM on August 20, 2015 in the office of Centre Coordinator to discuss offering of courses to newly admitted Ph.D. students. Following decisions were taken:

1. Since the Centre for Biochemistry and Microbial Sciences is a newly established center and admission to Ph.D. programme in the center has been done for the first time, it was decided that each faculty member will develop a course to be offered to Ph.D. students.
2. The structure of course work for Ph.D. programme will also be prepared in the light of approved Ordinance and Rules and regulations for this programme.
3. Process for approval of courses to be offered and the syllabus of each course from Board of Studies, School Board and Academic Council may be initiated at the earliest.

## Centre for Biochemistry and Microbial Sciences Central University of Punjab

**Subject:** Proceedings of the meeting of Academic and Administrative Committee of the Centre for Biochemistry and Microbial Sciences

A meeting of the Academic and Administrative Committee of the Centre for Biochemistry and Microbial Sciences was held at 10:00 AM on 2nd December 2015 in the office of Centre Coordinator to discuss following academic issues.

1. The committee discussed in details about the course structures and syllabi to be presented to BOS committee members.
2. Difficulties being faced by the Centre in procuring instruments and chemicals were also discussed. It was decided that the matter may be discussed with DAA so that the purchase process is hastened and difficulties faced by the centre in conducting practical classes are removed.
