An Academic and Administrative Committee meeting of Department of Computer Science & Technology was held at 1:30 PM on 21.02.2018 in the office of HOD, School of Engineering & Technology. The following members were present in the meeting:

- i. Dr. Amandeep Kaur, Associate Professor
- ii. Er. Meenakshi, Assistant Professor
- iii. Er. Surinder Singh Khurana, Assistant Professor
- iv. Dr. Satwinder Singh, Assistant Professor
- v. Er. Staffy, Assistant Professor

Following points were discussed in the meeting

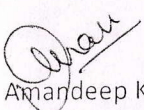

1. Application from our student Rajendra Singh Rawat (16mtcsnt01) regarding his final result in project lab.
2. Application from our student Rajendra Singh Rawat (16mtcsnt01) regarding change in dissertation supervisor.

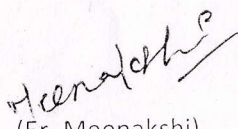

Recommendations of the committee

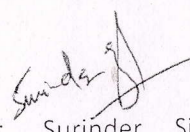

A detail discussions were done by the committee regarding both the applications received from the student, the student was also called for counselling and his input was taken. The mentor of the student (Dr. Vinod Arya) was also invited for advice.

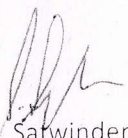

To resolve the issue the committee recommends the following

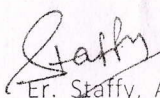

1. The student is allowed to apply for re-evaluation of his project lab as per the university rules.
2. As the mid-term assessment is already complete the student was advised not to change his supervisor at this junction. But he informed the committee that he is ready to modify his objective and spent any extra time to complete his research work. Thus the student is given two options:
 - i. To work under the same supervisor with an admin supervisor to resolve any issue.
 - ii. To work under another supervisor after approval of the same and with the undertaking that the student will be responsible for delay in the thesis submission.

An urgent AAC meeting was called to discuss eligibility for admission of foreign student. During the discussions the following points emerged:

1. From the document it is not clear whether the student has completed 4 year degree or 3 year.
2. Detail mark sheets are not attached for bachelor degree, the same is required to check the subjects studied by the students.
3. There is a requirement to get equivalence certificate that the bachelor degree of the student is equivalent to B.Tech / B.E in Computer Science and Engineering/ Information Technology/ Electronics/ Electronics & Communication or AMIETE/AMIE

The above details are needed to check the eligibility.

An Academic and Administrative Committee meeting of Department of Computer Science & Technology was held at 02:30 PM on 06.12.2018 in HOD office, New Faculty Hall No. 2, Admin Block, Central University of Punjab. The following members were present in the meeting:

- i. Dr. Amandeep Kaur, Associate Professor
- ii. Er. Meenakshi, Assistant Professor
- iii. Er. Surinder Singh Khurana, Assistant Professor
- iv. Dr. Satwinder Singh, Assistant Professor

During the discussions the following points emerged:

The following points were discussed and conclusions drawn:

1. Er. Meenakshi has requested that she wants to apply for study Leave from next semester for the pursuance of PhD. All faculty members have agreed to share her load during her study leave. She wish to pursue Ph.D., as it will equip her with advanced/higher learning skills, enhance her subject domain and train her with research techniques and practices which can be subsequently applied in teaching as well as research guidance. She would also be even technically eligible and effective to guide Ph.D. students. Further, it is also a mandatory qualification for promotion and will enable her to apply for her next higher position under career advancement scheme.
2. The department has received a request to check the eligibility for admission of foreign student Faraidoon Habibi. In AAC it has been concluded that student can apply for PhD as he has completed his M.Tech CSE with CGPA: 7.55 from Shimla University.
3. Due to the requirement of NET (JRF) we are not able to take PhD students. Most of the Engineering students prefer to appear in GATE Exam, as all IITs and other reputed institutes' shortlist the students on the basis of GATE score. Further, the date to apply for scholarship/fellowship on their portal is not fixed; it can open anytime in the year.
Therefore, it has been decided in AAC to conduct the Entrance test for PhD in School of Engineering & Technology in December to keep candidates in pool otherwise they sometimes miss the chance to apply for scholarship/fellowship.
4. As the department has been allocated 81 Lakh budget, so in the meeting an elaborate discussion was held regarding Purchase of equipment:

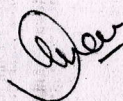

Items to be purchased with justification is given in the following table:

S.N	Item	Number	Approx. Price	Justification
1	Lab Computers	25	94743.00X25	As per AICTE for M.Tech CST three Labs

			= 2368575.00	are required. At present we have 02 labs with 25 computer each. We require to establish another Lab with 25 computers. The computers need to be high processing system due to labs like Machine Learning, Deep Learning in the curriculum of the M.Tech. etc.
2	Computer for Research Lab	25	99500.00X25 = 2487500.00	The Research Lab has 25 computer with basic specification. In both M.Tech Programmes we have 25 + 24 = 49 students and for one year dissertation work these students need to work in the research Lab. It is proposed to purchase 25 high end Machines for the research work.
3	Online UPS 10KVA	02	370000.00X2 = 740000.00	For the new computers (50), there is need purchase online UPS.
4	Statistica Software	2/3 Year Subscription 25 Users	337500.00	For understanding the concept of Machine Learning a good foundation in Statistics is required. Statistica software includes many methods for regression and classification tasks. The software is also widely used for data sciences and Deep Learning. Dr. Amandeep Kaur has requested for the purchase of the same.
5	RAM for Workstations	06 (32GB Each)	50000.00X6 = 300000.00	Four workstations have already been in the department for the research work of faculties and students but the RAM is of only 4 GB due to which effecting research work is not possible on them. The system with large memory is required to process large data as many students are working on Machine learning. Further system with high memory is required to create virtual networks for the purpose to improve learning process in subjects like Ethical Hacking, Penetration Testing and Digital Forensics etc. Three faculty members have given request for additional RAM for the same. <ol style="list-style-type: none"> 1. Subject: Minutes of faculty meetings held on 14.12.2018.

An Academic and Administrative Committee meeting of Department of Computer Science & Technology was held at 10:30 AM on 14.12.2018 in HOD office, New Faculty Hall No. 2, Admin Block, Central university of Punjab. The following members were present in the meeting:

- i. Dr. Amandeep Kaur, Associate Professor
- ii. Er. Meenakshi, Assistant Professor
- iii. Er. Surinder Singh Khurana, Assistant Professor
- iv. Dr. Satwinder Singh, Assistant Professor

During the discussions the following points emerged:

The following points were discussed and conclusions drawn:

1. The purchase standing committee of department is constituted with following members:

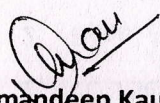

- i. Dr. Amandeep Kaur, Associate Professor
- ii. Er. Meenakshi, Assistant Professor
- iii. Er. Surinder Singh Khurana, Assistant Professor
- v. Dr. Satwinder Singh, Assistant Professor

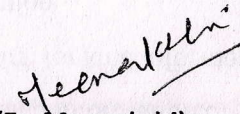

2. The committee discussed regarding the purchase of Server. Er. Meenakshi has decided to contribute in the Servers instead of purchase of 05 computers as discussed in previous AAC meeting. The same is approved by the committee. *The total amount allocated for Servers is 11 Lakh.*

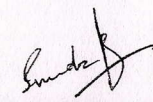

3. For the smooth Purchase of various items each faculty member is going to handle the purchase as follows:

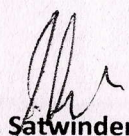

S. No.	Name of Faculty	Purchase item
1.	Dr. Amandeep Kaur and Er. Meenakshi	Computer Systems and Online UPS
2.	Er. Surinder Singh Khurana	Workstations RAMs
3.	Dr. Satwinder Singh and Er. Meenakshi	Server + RAM <i>PRINTER</i>
4.	Dr. Amandeep Kaur	Statistica Software

4. The committee verified list of Journals sent from library for renewal of subscription and decided to discontinue these journals. A revised list of UGC approved journals will be prepared for purchase of journals and submitted to Library.
