- I. The Department of Computer Science & Technology has a course (M.Tech Computer Science and Technology) is recognized by AICTE. To maintain the AICTE approval, every year there is need to apply for extension. The data related to same is collected from Registrar/ Other Admin offices. Also for the purpose of monthly attendance, the data of the students need to be uploaded on AICTE Portal. In absence of regular supporting staff and shortage of faculty such kind of non-teaching work affects the teaching and research activities of the department.

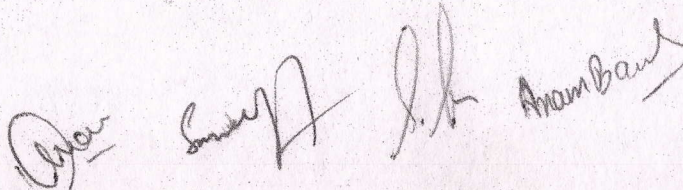

In this view, the same is to be assigned to the section already handling similar activities/portals such as UGC related fellowship activities.

As per UGC 2018 guidelines (UGC regulations on minimum qualifications for appointment of teachers and other academic staff in universities and colleges and measures for the maintenance of standards in higher education, 2018),

“ 1.1 For the purposes of direct recruitment to teaching posts in disciplines relating to university and collegiate education, interalia in the fields of health, medicine, special education, agriculture, veterinary and allied fields, technical education, teacher education, norms or standards laid down by authorities established by the relevant Act of Parliament under article 246 of the Constitution for the purpose of co-ordination and determination of standards in institutions for higher education or research and scientific and technical institutions “

The AICTE (body governing Technical education) has already published their own guidelines (AICTE regulations on pay scales, service conditions and minimum qualifications for appointment of teachers and other academic staff in Technical Institutions and measures for the maintenance of standards in Technical Education – (Degree) Regulation, 2019) in gazette of India.

These shall apply to all degree level technical institutions and universities including deemed to be

Universities imparting technical education and such other courses / programs approved by AICTE

Our University has already been following above mentioned guidelines for the purpose of direct recruitment of faculty positions (advertised in no. Advt. No. CUPB/19-20/05)

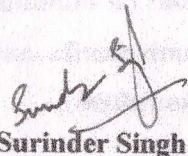

Further it is recommended to follow these AICTE guidelines in Toto.

As per these guidelines the 360° feedback system required to be initiated as per the attached format (Annexure-) It is recommended to collect the student feedback in the format prescribed by AICTE.
