Department of Psychology, Central University of Punjab, Bathinda-151001.

(Established vide Act No. 25(2009) of Parliament)

Ref. No. CUP/PSY/30/04/2020/01   Date 30/04/2020

Minutes of AAC

The meeting of AAC of the department was held on 30 April, 2020 via conference call at 10 am. All members were present. The minutes of the meeting are as follows:-

Agenda 1: To discuss about the Board of Studies meeting
Resolution: The syllabus was approved by the curriculum committee and the BOS meeting was planned for March 31. The members preferred to come in person and hence the department earlier decided to wait. However, in light of the current scenario of lock down and travel restrictions, the department decided to consult with the Dean for further advice.

Agenda 2: To discuss the status of online classes
Resolution: Majority of the students don't have personal laptops/computers and many students have limited access to high speed internet. Therefore, online video classes were not feasible for all students. The department is, therefore, making recorded audio lectures available to all students. The department is also making use of google classroom app for online submission and evaluation of assignments, term papers and surprise tests. For VAC conducted by the department, 4 students have not joined the WhatsApp group made for it. The department has already provided the study material for students of this course. Most of these students have submitted assignments online.

Agenda 3: To discuss about the Practical classes
Resolution: Psychology practicals are entirely laboratory and tool based. Hence the department is not able to conduct them. The department has decided to wait for the university instructions.

Agenda 4: To update the information about the department on webpage of the university
Resolution: It was decided that the department would prepare content for the web page and upload it on the departmental website after the approval of the competent authority.

Agenda 5: To compile the information needed for the presentation about the department for Internal Academic Audit
Resolution: The department of Psychology is a new department and is in the budding stage with no batch as pass-out. Still a presentation showing what-so-far has been done by the department would be made ready by 14 May 2020.
