### Subject: Minutes of Alumni Meet of Department of Punjabi

The Alumni Meet of the department was held on February 19, 2021 through online mode at 12 Noon. In this meeting almost 15 alumni were present and shared their memories and experiences with the faculty members, students and research scholars of the department. While sharing their experiences most of the alumni mentioned the department as well as university's positive and encouraging atmosphere and academic culture. They specifically talked about the healthy student-teacher relationship, their overall learning experiences and multicultural interaction which changed their horizon of thinking, boost their confidence level and strengthen them holistically. The following are the corrective expressions and feedback of the Alumni:

1. Teachers are very helpful and always available to the students. Actually we learnt at CUPB how to study and what is the importance of value based education in our lives.
2. Apart from the subject knowledge the best part of learning at CUPB is to get technical training as part of the curriculum like use of computer, internet and develop the typing skill also.
3. Facilities like Language Lab, Computer Lab and the Central Library are really very useful to students.
4. CUPB is a best place to interact with students/faculty/staff from different cultures of across the country.
5. Dissertation/Project writing was great experience during the masters which helped the students to create research minds and developed the analytical and critical thinking in the learners.

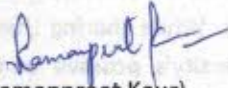

In this meeting the alumni also given some good suggestions to improve the admissions and development of the Department and University:

1. There is need to aware the students at under graduate level in neighborhood areas, Colleges and convince them to join CUPB, and change the public opinion and make people comfortable with language issues specially with English.
2. Most of the local people are not aware of the importance and infrastructures of Central University of Punjab. They confused CUPB with Punjabi University Regional Centre Bathinda and also with Punjabi University Constituent College, Ghudda. To attract the students of neighborhood areas, there is need to aware them about the misconception and difference between Central University of Punjab and Regional centre Campus.
3. The department should start an advertising campaign of door to door with the help of alumni and also with local Radio station/ TV Channels and social Media platforms.
4. In academics, term papers and assignments are mandatory part of all the Courses, which takes a lot of time the learners and they felt so stressed. It was experienced that most of the students spent their maximum time on Term Papers and assignments preparations and got less time for thoroughly study of their courses. If it is possible in the future, this pattern should be revised.
5. There is requirement to established the departmental Library and also needs to update the books in specific areas like comparative literature. Students faces difficulties while working on Comparative Literature due to lack of books.

6. It is necessary for day Scholar that there should have a special PRTC Bus route for University students.
7. Department needs to organize frequent expert/special lectures, Seminars, Conferences and workshops, to provide a good academic interactions and practical atmosphere of learning to the students and research scholars with the eminent scholars/Writers.

**To appoint the convener for AAC and CDC, and the coordinators for departmental activities**

As per the previous practice, the tenure of convener of AAC is for one year and on rotation basis. After the constitution of the Department of Punjabi, Dr. Amandeep Singh and Dr. Ramanpreet Kaur have completed their tenures respectively. In this rotation, the next turn of AAC convener is now for Dr. Lakhveer Kaur. But in the meeting, Dr. Lakhvir Kaur shared her inability to take up this responsibility due to her lack of experience. Since, it was her turn and she denied this responsibility, the matter of appointment of AAC convener was put on hold and it was decided that competent authority may be informed about the matter to take necessary directions in this matter. As an interim measure, Dr. Ramanpreet Kaur will continue as convener till the resolution of this matter.

For smooth running of the department and to oversee day to day running of various activities, the matter regarding distribution of work was discussed in detail and the members of AAC resolved to approve the following:

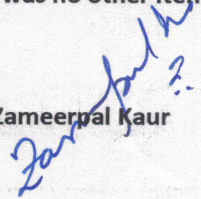

<b>Convener, Academic and Administrative Committee (AAC), Dept. of Punjabi (DPBI)</b>	Dr. Ramanpreet Kaur to continue till the appointment of new convener.
<b>Coordinator, IQAC, DPBI + Academic Activity Calendar</b>	<b>Dr. Amandeep Singh</b>
