The committee deliberated the various changes/amendments made in the course structures for M.Sc. FST and MBA (Agribusiness) programmes and consented/approved the changes considering that some content was missed out while a few topics were duplicated. Also, the amendments suggested by the expert members, incorporated in the course content/course structure were deliberated and approved to recommend to School Board for further recommendation to Academic Council for approval. The revised/amended programmes of the two courses recommended by the BOS are placed at **Annexure IV and V**. The email messages received from the expert members suggesting amendments/consents are placed at **Appendix I to IV**

Any other item with the permission of the Chair

Dr. Chidanand Patil brought out that to align the MBA (Agribusiness) programme with the similar programmes run at other national institutes, it is necessary rearrange the course structure of the said programme. Accordingly, 2 New Courses with course code ABM.503: Quantitative Techniques for Business Decisions and ABM.502: Business Research Methods have been added to the course structure by dropping ABM.502: Statistics for Management and ABM.510: Research Methodology in Business Management, the contents of which were of much relevance to the Agribusiness Management Discipline. Also, some amendments have been incorporated in the other courses. The course structure and the course contents for the revised/amended programme to be made operative from academic session 2018-20 onwards are placed at **Annexure VI**.

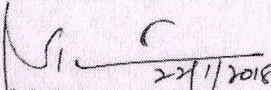

The BOS deliberated and recommended the proposed course structure/curricula for recommendation by School Board to be approved by the Academic Council for implementation from Academic session 2018-20 onwards.
