Department of Environmental Sciences and Technology School of Environment and Earth Sciences

The committee unanimously recommended the syllabus of one credit Value added course on 'Turning waste into product' for the session 2020 onwards

Agenda 5: Post facto approval for the conversion of one credit Interdisciplinary course on 'Health and Hygiene' for non-biological students to two credits course for the session 2019-21 onwards.

Resolution:

The committee unanimously recommended (post facto) conversion of the credits (two) for the course Health and Hygiene for the session 2019-21 onwards.

Agenda 6: To resolve the issue of MOOC course offered against IDC for the session 2019-21.

Resolution:

The committee unanimously (post facto) recommended MOOC course offered against IDC for the session 2019-21

Agenda 7: To consider the conversion of M.Sc. Project to Dissertation and restrict it to 4th Semester.

Resolution:

External experts were of the considered opinion that in place of M.Sc. Project work, Dissertation should be included in the curriculum for placement and admission in reputed institutes/universities of national and international level.

Agenda 8: To consider the inclusion of two week non-credit industrial training (compulsory) during the summer vacation and increase the number of industrial visits during field visits for M.Sc. 2020-22 onwards.

Resolution:

External experts have recommended three-four week non-credit industrial training (compulsory) during the summer vacation.

Agenda 9: To consider the inclusion of one credit course on Environmental Chemistry Practical in the M.Sc. syllabus for the session 2020 onwards
