Dear Members,

As per the instructions of Dean Incharge, Academics and the competent authority (email attached), we need to revise the course structure for PhD English and PhD English (Language Studies) with minor changes.

Two compulsory courses, of one credit each on Curriculum, Pedagogy, and Evaluation, and Teaching Assistantship designed as per NEP-2020 are to be incorporated in these syllabi. These courses have been approved by the Department of English and the School of Education, and will be compulsory for all Ph.D. students after approval by the Academic Council. After the addition of the above-mentioned two courses, the total number of credits will be 16.

I am enclosing two files (after additions) and two additional files which carry changes (track on changes made).

Please approve these Ph.D. courses (revised annexures) online only.

With thanks and regards,

Dr. Shahila Zafar
