5. To approve the outline of syllabi and courses of reading for the admission of batch 2018 for Ph.D. Mathematics/Statistics course work as per Appendix C.
6. To approve the outline of syllabus and courses of reading for Basic Statistics courses for sciences/humanities and Ph.D. course work of other departments for admissions in 2018 as per Appendix D.

Under any other item, the Board discussed at length the weightages and format of the mid-term and end term exams and members were strongly of the view that

- Mid term and End term exams should not have any objective type component.

It was recommended that the distribution of weightages for the various components of the assessment be as follows

- Continuous assessment :10%
- Mid Term Test-I: 20%
- Mid Term Test-II: 20%
- End Term Exam (Final): 50%

It was observed that the board had made same recommendations in the meeting of Board of Studies held on Dec. 13, 2015.
