The members of BOS discussed the curriculum of MPES (Master of Physical Education & Sports) for the session 2020-22 and given the following recommendations:

1. UGC- CBCS pattern may be followed in MPES curriculum.
2. Four credits should be given for each core theory course and in case of Discipline Specific Elective three credits may be given.
3. Credits for research proposal and project should be given along with practical hours.
4. Offer Sports Activities in each semester under the Field Practical instead of offering Sports Specialization.
5. Add one skill based course for Community Sports Development under the head of field practical.
6. Include Self Practice of Skill Proficiency courses under Non CGPA.
7. Discussed about reduction of grand total credits and also reduce credits of each semester.
8. New course codes to be allotted for newly added courses.
