

Department of Plant Sciences

Central University of Punjab

Ref. No:

Dated: 17.01.18

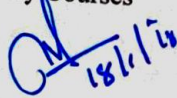

Subject: Proceedings of the meeting of Curriculum Developmental Committee

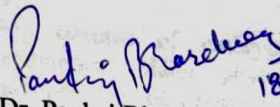

Curriculum Developmental Committee (CDC) of the department met twice on 17th & 18th January 2018 4:30 PM to discuss and recommend updation in the course contents of M.Sc. Life Sciences (Plant Sciences) and Ph.D Plant Sciences. The following changes in the curriculum of both the programmes offered are recommended:

M.Sc course content:

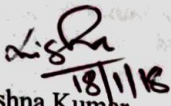

1. Content updates of LPS.501, Biostatistics
2. Content updates of LPS.511 Plant Biosystematics: Cryptogams
3. Content updates of LPS.512 Plant Biosystematics: Cryptogams (P)
4. Content updates of LPS.506 Biochemistry
5. Content updates of LPS.523 Plant Physiology
6. Content updates of LPS.531 Plant Systematics: Phanerogams
7. Content updates of LPS.532 Plant Systematics: Phanerogams (P)
8. Simplification of Inter-Disciplinary Course LPS.402 and its title Basic Plant Physiology and Biochemistry
9. Content updates of LPS.551 Ecology and Biodiversity
10. Content updates of LPS.552 Ecology and Biodiversity (P)
11. Bifurcation of Evolutionary and Developmental Biology course into LPS.555, Evolutionary Biology Credits: 2
LPS. 556 Anatomy and Developmental Biology of Plants, Credits: 2
- LPS. 556 Anatomy and Developmental Biology of Plants (P) Credits: 1
12. Addition of new Inter Disciplinary Courses

Dr. Sanjeev Kumar
Associate Professor
(Chairman and HOD)

Dr. Felix Bast,
Assistant Professor
(Convener)

Dr. Pankaj Bhardwaj
Assistant Professor

Dr. Vinay Kumar
Assistant Professor

Dr. Krishna Kumar
Choudhary
Assistant Professor
