#### Minutes of Curriculum Design and Development Committee

The Curriculum Design and Development Committee met on 07<sup>th</sup> March 2019 in Department of Sociology Office, to finalise the syllabus of M.A. and Ph.D. programme of the Department.

The following are the minor changes that were recommended by the committee in the existing syllabus:

#### M.A. (Sociology)

##### 1) Reading list of the following courses were updated:

Course name & code: a) Sociological Concepts (SOC.509)

b) Rural & Agrarian Society (SOC.524)

c) Introduction to Sociology of Health & Medicine (Inter-disciplinary course) (SOC.526)

2) In Course name & code: **Social Movements (SOC.572)**, elective course: In Unit III, LGBTQ movement is included and anti-sestemic movement is excluded.

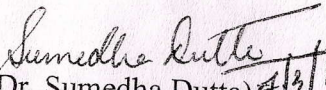

3) Course name & code: **Urban Studies (SOC.557)**, elective course: In Unit III, the following components were removed: Star Theory, Sector Theory, Multiple-Nuclei Theory and Break-in-Transportation.

Reason: these theories belong to the discipline of Geography (Urban Planning) and have little relevance in Sociology.
