Resolution: Recommended for Academic council Approval.

**Chairman requested the external members to give expert comments to
Comments by Prof. Kanchan Jain is as under:**

- My first query was about adjustment of credits after splitting one course into two courses.
- If a course has been moved from Sem I to Sem II, I just wanted to know which one?
- The name of the course STA530 does not seem appropriate. It should be

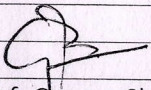

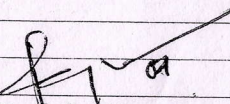

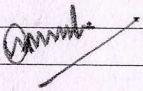

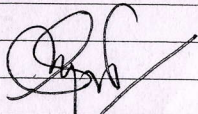

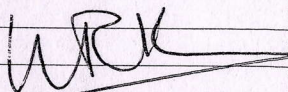

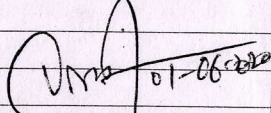

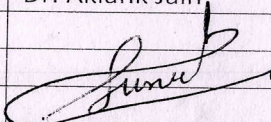

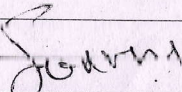

“Fundamentals of.....”

- Similarly, for Ph.D. Statistics,

STA. 710 should be named as
Stochastic Finance and Machine Learning in/for Insurance.

Comments by Chairperson is as under:

- ID course of microbiology of pharmacology
