Respected School Board Members,

I hope all of you would be doing great.

We have been instructed by the University administration to incorporate two more courses (one credit each) compulsory on curriculum development, pedagogy and teaching assistantship designed as per NEP-2020 in the PhD for the year 2021 session. programs of all departments.

These courses have been approved by the department and School of Education and will be compulsory for all Ph.D. courses after approval by AC.

Accordingly, all three departments have incorporated these two courses in their Ph.D. programs and got recommended from their respective Board of Studies through email (in circulation).

Therefore, it is requested that School Board members may kindly review and recommend the revised PhD syllabi of the following departments (zip folders enclosed):

1. Annexure A (Ph.D. in Molecular Medicine and Ph.D. in Human Genetics) and BOS minutes
2. Annexure B (Ph.D. in Pharmaceutical Sciences and Ph.D. in Medicinal Chemistry) and BOS minutes
3. Annexure C (Ph.D. in Pharmacology) and BOS minutes

Your comments and recommendations through email are requested.

Best Regards,
