## SEMESTER –II

**Course Title: TECHNOLOGY IN EDUCATION**

L	T	P	Credits
4	0	0	4

**Course Code: MED.533**

**Course Learning Outcomes (CLO)**

**Total Hours: 60**

The students will be able to

- CLO1.** Explain the nature, scope and importance of Educational technology and ICT
- CLO2.** Enhance their professional skills through the practice of various skills of microteaching
- CLO3.** Develop the skills in utilizing various models of teaching in classroom settings.
- CLO4:** Familiarize themselves with the concept of andragogy and Artificial intelligence
- CLO5.** Apply the concept of Blended and Flipped learning in their teaching and learning process
- CLO6.** Explore the open educational resources available on-line platforms.
- CLO7.** Analyze the social, ethical, and legal issues related to technology

## **Field Internship Guidelines**

The field internship -I shall be conducted at the beginning of semester-III and will continue for at four weeks or least 28 working days. The fundamental purpose of this internship programme is to develop the pedagogical skills of the interns with regard to school practices. It will be carried out under the supervision of the internship coordinator keeping in mind the following aspects;

- The interns will be given comprehensive orientation about the detailed modalities of the internship by the internship coordinator and other faculty members.
- The interns will be trained on different innovative method(s) of teaching, question preparation of different difficulty level i.e. easy, moderate and difficult covering different domains of Bloom's taxonomy like Remembering, Understanding, Applying, Analyzing, Evaluating and Creating, text book analysis, application of educational apps. in the teaching-learning process, action research etc. as will be decided by the faculty members and the internship coordinator and will practice all these in a simulated condition in the University for at least two weeks.
- After the simulated practice on different pedagogical skills the interns will go to the field i.e. any secondary school as they will be allotted and will deliver there at least five lessons and will carry out other activities as will be decided by the department from time to time. The interns will carry out these activities in the school for 10 days under the supervision of their mentors as will be decided by the internship coordinator with the approval of the HoD.
- The last four days will be devoted towards presentation of the internship reports followed by viva-voce.

### **Mode of Evaluation**

- The evaluation will be conducted out of 100 marks
- The distribution of marks are as follows;
  - Attendance=5 marks
  - Overall behaviour of interns=5 marks
  - Performance in the field=20
  - Internship report preparation=30
  - Presentation of the internship report= 20 marks
  - Final viva-voce= 20 marks
- A three member's examiner panel will be prepared by the HoD including the internship coordinator for the conduct of the presentation of the internship report and final viva-voce.
