1. Summary

The Intellectual Property Rights Cell (IPR cell), Central University of Punjab, Bathinda in collaboration with Punjab State Council for Science and Technology (PSCST), Chandigarh organized a “Two day training programme on Scientific Literature Searches and Plagiarism Detection Software” on 26th and 27th March, 2019 with an objective to create awareness about copyright, plagiarism and patentable inventions. The programme further provided hands on training on various anti plagiarism software and public databases of patent literature.

Prof. Sushil Kumar Kansal, Dr S S Bhatnagar University Institute of Chemical Engg. & Tech., Panjab University, Chandigarh gave orientation to the participants about research publications ethics. Dr Ashwini Siwal, Assistant Professor, Faculty of Law, Delhi University, Delhi discussed plagiarism and how to avoid it. Mr Kanan, Deputy Librarian, talked about the CUPB digital initiatives. Mr Bhupinder, Assistant Librarian, trained the participants on various Anti plagiarism softwares. Dr Preeti Khetarpal, Assistant Professor and registered patent trained the participants for patent literature searches on public databases.

Fifty-five participants including postgraduate students, researchers and faculty members attended the training programme.

2. Objectives of the Training programme

- To create awareness among young researchers about various aspects of writing and publishing research paper, copyright, plagiarism and patent system of India.
- To Provide hands on training on various anti plagiarism software and public databases of patent literature.

3. Programme schedule

Day 1 :

Inaugural session I

Registration and Inauguration		9:30AM – 10AM
Key note address Aspects of Writing and Publishing a Research Paper	Prof. Sushil Kumar Kansal, Dr S S Bhatnagar University Institute of Chemical Engg. & Tech., Panjab University, Chandigarh	10:00 AM – 11:30 AM
Tea		11:30 AM
Technical Session I		12 noon onwards
CUPB Digital Initiative, Activities and its Benefit for Researcher - Kannan P Deputy Librarian		

Venue: Auditorium and Computer Centre

Lunch Break

Technical Session II: Ethics of Research Publications and Training on Scientific literature Database

<ul style="list-style-type: none">• Research Paper Publications- Do's and Don't's• Training on comprehensive database for the chemical literature/Scientific literature	Dr Rajkumar, Associate Professor, CUPB	2:00 PM onwards
--	--	-----------------

Venue: Computer Centre

Tea

Day 2:

Technical Session III: Copyright, Fair use and Plagiarism

<ul style="list-style-type: none">• Copyright: Understanding copyright and how to avoid Plagiarism.	Dr Ashwini Siwal, Assistant Professor, Faculty of Law, Delhi University, Delhi	10:00 AM -12:00 Noon
Tea Break	12:00 Noon- 12:10 PM	
<ul style="list-style-type: none">• Anti-plagiarism softwares	Dr Bhupinder Singh, Assistant Librarian, CUPB	12:10 PM – 1:00 PM

Venue: Computer Centre

Lunch

Session IV: Patent Filing Procedure and Patent Literature Searches

<ul style="list-style-type: none">• Patent System in India: Patentability Criterion and Non-Patentable Inventions• Training Session on Patent Literature Searches on Public databases using Keywords and IPC	Preeti Khetarpal, PhD. Assistant Professor, CUPB and Registered Patent Agent	2:00 PM -4:00 PM
---	--	------------------

Venue: Computer Centre

Vote of Thanks

Tea

4. About the Training programme

Intellectual Property Rights cell of Central University of Punjab in collaboration with the Punjab State Council for Science and Technology (PSCST) organized a “Two day training programme on Scientific Literature Searches and Plagiarism Detection Software” on 26th and 27th March, 2019. Fifty-five participants registered for the training programme.

Prof. Sushil Kumar Kansal, Dr S S Bhatnagar University Institute of Chemical Engg. & Tech., Panjab University, Chandigarh and Dr Ashwini Siwal, Assistant Professor, Faculty of Law, Delhi University, Delhi were the key speakers of the event.

During the talk, Prof Sushil discussed the key points to be considered while preparing a research paper to avoid rejection by the publisher. Accordingly, abstracts and conclusion plays the most important role for selecting or rejecting a article. He also made the participants aware with the impact factor, h index and i10h index.

Dr Ashwini Siwal, talked about the copyright and plagiarism issues in detail. Mr Kanan, Deputy Librarian, talked about the CUPB digital initiatives and how this is useful for the scholars. Mr Bhupinder, Assistant Librarian, gave training on various Anti plagiarism softwares. Dr Preeti Khetarpal, Assistant Professor and registered patent agent gave an orientation of the Patent system of India and trained the participants for patent literature searches.

5. Resource person

- i) **Prof. Sushil Kumar Kansal,**
Dr S S Bhatnagar University Institute of Chemical Engg. & Tech., Panjab
University, Chandigarh
- ii) **Dr Ashwini Siwal,** Assistant Professor, Faculty of Law, Delhi University,
Delhi
- iii) **Dr Rajkumar,** Associate Professor, Department of Pharmaceutical Sciences
and Natural Products, CUPB
- iv) **Preeti Khetarpal,** PhD. Assistant Professor, CUPB and Registered Patent
Agent
- v) **Dr Bhupinder Singh,** Assistant Librarian, Central University of Punjab,
Bathinda
- vi) **Mr. Kannan P**
Deputy Librarian, Central University of Punjab, Bathinda

6. **Participants**

Total Fifty-five participants registered for the training programme which included three faculty members and fifty two research scholars and postgraduate students.
