No.F.57-2/2009(CU)

28<sup>th</sup>-April, 2011

Dear Prof. Singh

Kindly find enclosed herewith a copy of minutes of the meeting of Vice-Chancellors of new Central Universities held on 3<sup>rd</sup> March, 2011 in the UGC office for your kind perusal and action if any.

2. In the meeting it was decided that only those academic programmes may be started where the necessary infrastructure facilities/ manpower is available. The proposals in respect of professional courses like Medical, Dental, Nursing, Para-Medical, Engineering & Technology etc. will be considered separately at a later stage. New academic programmes should meet the regional requirements, national aspirations and should be at par with the world class standards. Further, the university should make an assessment of the existing academic programmes as may be available in the adjoining Universities so as to avoid gaps and duplications.

3. Based on the above deliberation, I am directed to convey the approval of UGC to open maximum of 20 departments by the end of XI Plan for which no prior approval of UGC will be required. Accordingly, 140 teaching positions are approved (1 Professor, 2 Associate Professor and 4 Assistant Professors for each department) including the existing programmes which had already been approved by the UGC. After establishing the departments, the university may intimate the status to the UGC.

4. Further, based on the discussions in the meeting as well as the availability of funds from Government of India, MHRD, UGC has approved the Annual Plan Allocation (2011-12) of Rs. 50.00 crores for Central University of Punjab under General Development Grant including Merged Scheme and Fellowship to Non-NET Ph.D and M.Phil. The Annual Plan Allocation is tentative and the situation would be reviewed during October – November, 2011.

5. This abovementioned allocation is in addition to the unspent balances as on 1.4.2011 available with the University. University may decide the priorities and provide item wise break-up for General Development Grant (separately for Grant-in-aid General and Capital Assets), Merged Scheme and Fellowships to Non-NET Ph.D. and M.Phil. to UGC within the allocation as mentioned above.

6. It is once again requested that the University may follow the procedure for construction of buildings as circulated vide this office letter number F.17-1/2002 (CU) dated 28<sup>th</sup> April, 2005 (copy enclosed) as well as prescribed in the UGC guidelines for General Development Assistance to Central Universities during XI Plan. The Building Committee should be constituted as per UGC guidelines and information in the prescribed format may be sent to UGC.

CENTRAL UNIVERSITY OF PUNJAB  
Letter Received  
5 MAY 2011  
Sr No 18

7. University may not initiate the work / project i.e. approach road, water pipe line, electric sub-station etc. which are the responsibility of the State Government. University may take up the matter with State Government or Central Government as the case may be.

8. The release of grant would depend on the pace of expenditure by the University & timely submission of utilization certificate supported by the statement of expenditure.

Please feel free for any clarifications in this regard.

With regards,

Yours sincerely,

R. Batra  
(Renu Batra)

The expenditure on teaching positions approved for above mentioned departments may be incurred out of the funds provided under salary head (36) of Annual allocation of 2019-20.
