

DGIL/22/68

Department of Geology
Central University of Punjab, Bathinda

Sub: Minutes of the Academic & Administration Committee (AAC) meeting held on
25/04/2022, Monday

With reference to an application of an international student (Mr. Solomon Rebso Abebe) from Ethiopia, seeking admission in PhD Geology program, the AAC meeting with the following attendees Dr. J.K. Pattanaik, HOD, Dr. K.K. Singh, Dr. R. Mukherjee, Dr. V. Pathak and Dr. S. Tewari was held on 25/04/2022, Monday. The following matters were discussed and put forth for its recommendation:

1. The members checked the form (A2A) of the student and found that Mr. Solomon Rebso Abebe who held from Ethiopia has passed B.Sc. undergraduate Applied Geology program (equivalent to 3 years bachelor degree after XII in India) with score of 3.24/4 grade from Mekelle University, Ethiopia in 2009. He has completed M.Sc. Earth Science (Mineral Exploration) with the score of 3.49/4 grade from Addis Ababa University, Ethiopia in 2014. He is interested to enroll in the PhD Geology program and do research in the area of ore geology. The department of Geology, CUPB is having faculty on the same specialization.
2. While examining the application, it was found that in the A2A form, the date of birth (DOB), year of passing for X and XII courses were wrongly given. Further, the MSc. mark sheet either does not have the registrar's signature on it or not visible.
3. The committee found that based on the degree obtained by the student, he is eligible for PhD program, however, the minor observation listed above (at point no 2) may be clarified from the student before further process.

The meeting ended with vote of thanks to and from the chair.
