1. Prof. AK Jain, Chairperson
2. Prof. RK Kakar, Department of Geology (CAS), Punjab University
3. Dr. Kiran K Singh, AP, Centre for Geography and Geology
4. Dr. Jitendra K Pattanaik, AP, Centre for Geography and Geology
5. Dr. Sanjeev Kumar, AP, Centre for Plant Sciences
6. Dr. Anil K Mantha, AP, Centre for Animal Sciences
7. Dr. LT Sasang Guite, AP, Centre for Geography and Geology
8. Dr. K Milan K Sharma, AP, Centre for Geography and Geology
9. Mr. G. Vishwakarma (NAAC stakeholder)
10. Mr. Abhimanyu Jamwal (MA Geography, Student representative)

The following agenda were discussed in the meetings:

1. Syllabus and coursework of M.A. Geography
2. Syllabus and coursework of M.Sc. Geography
3. Syllabus and coursework of M.Sc. Earth and Geological Sciences
4. Syllabus and coursework of Ph.D. Earth Sciences
5. Syllabus and coursework of Ph.D. Geography

The committee discussed the syllabi and put forward the following suggestion:

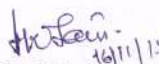

- The members were in appraise about the suggestions sent by Prof. AD Ahluwalia through email.
- Text books (4 to 6) may be listed and others be placed under further suggested reading.
- All references must appear in the same format with complete details.
- In paper EGS.513 Structural Geology a topic 'finding of the top and bottom of rocks' is required to be included.
- Information be collected from neighbouring institutes for procurement of lab material and equipment on urgent basis.
- In paper EGS.621 Petroleum Geology, references of Indian occurrences be included.
- In Ph.D. course work, software in geology be included in Computer Applications paper.
- Ph.D. Course Work: A compulsory paper on Remote Sensing and GIS be included.

*(Handwritten signatures and notes)*  
12

- Nomenclature of M.Sc. Earth and Geological Sciences may be changed into M.Sc. Geology.
- Nomenclature of Ph.D. Earth Sciences may be changed into Ph.D. Geology.
- In M.A./M.Sc. Geography paper GEO.501 Advanced Geomorphology be designated as Geomorphology.
- Maximum marks for each paper should be 100 irrespective of their credits as per UGC norms.

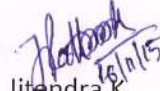

The committee further unanimously decided as under:

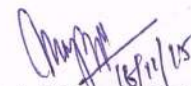

1. The syllabus of M.A. Geography for the semesters I, II, III and IV for the batch 2015-17 is approved with minor modifications.
2. The syllabus of M.Sc. Geography for the semesters I, II, III and IV for the batch 2015-17 is approved with minor modifications.
3. The syllabus of M.Sc. Earth and Geological Sciences for the semesters I, II, III and IV for the batch 2015-17 is approved with above suggested modifications. (Revised course structure and syllabus may be sent to the experts through email for suggestions).
4. The syllabus of Ph.D. Geography (course work) for the semester I for the batch 2015 is approved.
5. The syllabus of Ph.D. Earth Sciences (course work) for the semester I for the batch 2015 is approved with above suggested modifications. (Revised course structure and syllabus may be sent to the experts through email for suggestions).

  
Prof. AK Jain,  
Chairperson
