

Proceedings of the Academic and Administrative Committee of Department of Biochemistry held on 27 Feb, 2023, 3:00 pm

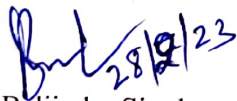

The following committee members attended the meeting and put up their opinion:

1. Prof. Ramakrishna Wusirika, Member
2. Dr. Baljinder Singh, Associate Professor, Member
3. Dr Vijay Kumar Prajapati, Associate Professor, Member
4. Dr. Shashank Kumar, Assistant Professor, Member
5. Dr Manju Jain, Assistant Professor, Member
6. Dr. Vinay Kumar Bari, Assistant Professor, Member
7. Dr. Ravindresh Chhabra, Assistant Professor, Member

The following agenda items were discussed and resolved in the meeting:

1. For the student research internship started by the university, the department will advertise for seven vacancies, one for each faculty
2. The course distribution for the second semester is decided as per Annexure 1
3. Dr Vinay Bari will prepare the date sheet for ESE for Semester I and the time table for Semester II and circulate it among the faculty members.
4. The schedule of Ph.D. six monthly progress seminars will be prepared by Dr Vinay Bari
5. The department will apply for the DST Serb Seminar scheme. Dr Shashank and Dr Vijay will look into it.
6. There is a slight modification in the procedure of allocation of supervisors for M.Sc. students. The procedure is as follows:

The students will be allocated after the first semester itself. The students' merit (SGPA in the first semester) and their preference will be considered. The allocation of students will be done in a batch of 7 students. First, the top 7 students will be distributed among the faculty members on the basis of their preference and merit. Each faculty member can be allotted a maximum of 2 of the top 7 students on the basis of students' preference and merit. In the subsequent batch of 7 students, only one student will be allotted to each of the seven faculty members. This process will continue for the subsequent 7 students till all the students are allotted a supervisor. This method will ensure that each faculty will get a mix of students and all the top rankers won't go to a single faculty.
