Subject: Minutes of AAC meetings held on 08.03.2022

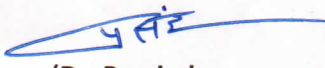

An Academic and Administrative Committee meeting of Department of Computer Science & Technology was held on 08.03.2022 in the office of HoD. During the discussion, the following points emerged:

1. The department is already offering 02 PG Courses, 02 short Term courses and PhD programme. Hence, no new programme can be proposed with the current faculty strength. The new programme can only be started with increasing the number of faculty strength than the currently sanctioned faculty positions.
2. The date sheet for End Semester Examination for 1st semester Students has been finalized and attached herewith(annexure 1).
3. The schedule for various activities related to dissertation evaluation is as:
 - a) Submission of report - 15 May 2022
 - b) Internal Evaluation - 20 May 2022 to 27 May 2022
4. The department has taken serious note about the absence of 4th semester students. It is decided to send an advisory to the students through email, advising them to join the University immediately in offline mode as per the University guidelines.
5. The screening of application received for PhD admission has been done and the list of candidates along with the eligibility status is attached herewith (annexure 2).
