MEMORANDUM OF UNDERSTANDING

FOR COLLABORATION IN RESEARCH AND TEACHING BETWEEN
CENTRAL UNIVERSITY OF PUNJAB, BATHINDA (CUPB) &
PHARMACOEVIDENCE PRIVATE LIMITED, MOHALI

PREAMBLE

CENTRAL UNIVERSITY OF PUNJAB, BATHINDA hereinafter referred to as "CUPB" has been established through the Central Universities Act 2009 approved by the Parliament of India. This fast growing Central University is set to emerge as a premier educational institution with the state of the art infrastructure to provide quality education and research. The University is accredited with 'A' grade from NAAC. The Central University of Punjab is the youngest university that has secured its position in the top 100 institutions (84th Rank) in the University category & 1st amongst New Central Universities in the MHRD's NIRF Ranking 2021. The university is situated in the village Ghudda covering an area of 500 acres and has 31 teaching departments fully funded by the Central Government. CUPB is committed to inculcating and sustaining quality in all the dimensions of higher education viz. teaching, learning, research, extension and governance while catering to the regional and global needs.

R

Gargandeep

Pharmacoevidence Private Limited
("Pharmacoevidence") is a contract research organization providing scientific services to support pharmaceutical products and devices.

Considering the mutual interest of the CUPB, Bathinda and Pharmacoevidence, Mohali both institutions extended hands for collaborative efforts with each other under a MoU. Understanding the scope of collaborative participation in various programmes, to be mutually agreeable in future, the CUPB, Bathinda and Pharmacoevidence, Mohali sign this Memorandum of Understanding (MoU) for jointly undertaking various programmes, in the field of life and allied sciences with the following terms and conditions and agree to carry out their respective responsibility as detailed in the MoU.

ARTICLE-I

The Parties, herby, agree to promote the development of cooperation with their responsibilities as under:

- 1.1 To facilitate joint research and collaboration, this program will encourage short-term faculty, internships and trainings.
- 1.2 If, the major supervisor/guide of the student feels that scientists or facilities of the Pharmacoevidence may be helpful in the students' research, the collaboration of Pharmacoevidence may be sought. The names of scientists of the Pharmacoevidence would be included into the list of the faculty members and/or advisors/scientists of the respective disciplines of the CUPB, Bathinda after recommendation of Board of Studies and School Board during the particular year.
- 1.3 The degree certificates will be awarded by the CUPB, Bathinda.
- 1.4 The facilities available at both the places, i.e., the CUPB, Bathinda and Pharmacoevidence would be utilized on bilateral basis after appropriate permissions.
- 1.5 The help rendered by Pharmacoevidence will be properly acknowledged in the thesis and any publication/award/patent emerging out of the research work carried out by the students in collaboration with Pharmacoevidence will be jointly shared.

ARTICLE-II

CUPB, Bathinda and Pharmacovidence may name any member of their staff to develop suitable work plan of the any collaborative area.

ARTICLE-III

A joint follow-up committee will be set up with representatives from both parties to meet periodically to follow up the execution of this MoU and suggest necessary measures for its development.

ARTICLE-IV

The parties to this MoU may, by mutual consent, add, modify, amend or delete any word, phrase, sentence, or article in this MoU at any time during the operation of MoU.

ARTICLE-V

The MoU shall be effective from the date of its signing by both the parties and shall remain in operation for **five years** or until either party serves notice on the other of its intention to terminate it, in which event; the MoU shall stand terminated at the end of one calendar month from the date of issue of such a notice.

ARTICLE-VI

The parties would act strictly according to the relevant provisions of law while implementing this MoU. In case of any dispute that may crop up during execution of MoU the matter would be settled through arbitration by referring it to a committee jointly appointed by both parties.
