## ABOUT CENTRAL UNIVERSITY OF PUNJAB

The Central University of Punjab, Bathinda (CUPB) was established in 2009 by an Act of Parliament. The **University has got 95<sup>th</sup> rank and 1<sup>st</sup> amongst new Central Universities under India Rankings-2019 by the National Institutional Ranking Framework (NIRF)**, Ministry of Human Resource Development, Government of India. Further in the very first accreditation cycle, **the University has been rated as an "A" grade University by National Assessment and Accreditation Council (NAAC)**. The University has a mission of providing wide range of instructional and research facilities across integrated and cross-disciplines, promote innovation in teaching, learning and research, and cross-pollinate new ideas, new technologies and new world-views, It aims to create an ignited workforce responsive to regional, national and global needs in tune with the requirements of academia, industry and business.

CUPB started in a Camp Office provided by the State administration in March, 2009. Making a modest but speed start, it has been working and progressing from a temporary, 37-acre Campus on Mansa Road, Bathinda. The University has been consistent in maintaining its top position in *h-index* (as per Scopus & Web of Science). It is also ranked at No. 1 among the 13 newly established Central Universities. The University has been recognized as Anchor Institution for e-PG Pathshaala for Environment Sciences in India. The University has also developing courses on MOOCs for the Country. The University has established a Central Instrumentation Laboratory, Computer Centre and the University Library to provide high end facilities to its faculty and students. Air-conditioned lecture rooms, well-equipped science laboratories, a 90-seater seminar hall and a 250-seater air-conditioned auditorium support the academic activities.

Simultaneously, the arduous task of selecting enough contiguous land for its Campus was undertaken. The Punjab State Government purchased 500 acres of land in Ghudda village and got it registered as a site for the new University Campus. The new Campus is scheduled to be completed and become operational within a period of few months. The Campus is designed to be environment friendly and energy efficient conforming to GRIHA-IV norms, perhaps the first such University in the region. The University has been certified with 5 star rating under GRIHA (LD) for Master Plan as highest award of the Ministry of Urban Development. The University has ranked top position in 14<sup>th</sup> National Youth Parliament (in group level) competition. The University has secured 8<sup>th</sup> rank in VISAKA (out of 4896 Institutions) across the Nation. Two teachers of the University had been part of "36<sup>th</sup> Indian Scientific Expedition to Antarctica" and worked at Bharti & Maitri research stations. 3

students of the University had earned Award for promoting Digital Economy from Hon'ble Minister HRD. Four Departments have received DST-FIST grant.

Currently, the University has 31 Departments spread over 11 Schools in areas ranging from Sciences, Technology, Humanities, Laws and Social Sciences. We have adopted national model curricula wherever available and supplemented it with the local, national and global issues. The University offers only Masters and Ph.D. Programmes. It is a validation of University's growing credibility among the students that during the year 2018-19, a total of 43,330 applications received for 764 seats for admission to Master's Programmes through CUCET, making a demand ratio of 1:57. For Ph.D. Programmes, 9615 applications received for 130 seats, making a demand ratio of 1:74.

Besides celebrating international and national commemorative days, students are encouraged to organize annual sports and culture events during the Foundation Week in February every year. The University is committed to the social cause of not only the region, but the whole nation and actively participates in events like "Swachh Bharat Abhyan". To cater to the financial needs of the students, the University provides scholarships and interest-free loans out of the Students Welfare Fund and has also implemented Earn-While-You-Learn scheme.

In spite of the locational disadvantage, the University in true sense is a multi-culture, mini-India as it supports students from 27 States, faculty from 18 States and non-teaching staff from 14 States. The University takes pride in its exceptionally qualified and committed faculty of 115 teachers. All Assistant Professors have a doctoral degree and are NET qualified. It is remarkable that most of the present faculty have experience of working in international laboratories and prestigious foreign Universities. Our faculty includes DST Inspire, JC Bose Fellow, Ramanujan Fellow, Ramalingaswami Fellow, UGC-FRP etc. The University is credited with Best Project: Faculty Ratio. So far, over 205 Projects have been sanctioned with Rupees 63 Crores. With a focused approach, the University is undoubtedly poised to write a new chapter on the academic horizon of India.
